

Certificate of Facility Certification

Restricted Use Protein Products

Validus hereby certifies that:

Church & Dwight Company
2501 East CR 34
Old Fort, OH 44861

has been reviewed by an authorized certifying agent of Validus and finds that this facility qualifies for Restricted Use Protein Products Certification and is authorized to display Certified Facility seal of approval, pursuant to the License Agreement.

This Certificate of Certification Expires: August 30, 2018

Certified Facility Number: 10047-001

A handwritten signature in black ink, appearing to read "Brian Bennett".

Audit was affirmed on August 28, 2017

This certificate certifies compliance by the above-named facility with the applicable program requirements of Validus, which requirements are intended to reduce the possibility of cross-contamination of ruminant feed products with protein derived from mammalian tissues as defined by 21 C.F.R. §589.2000. It is not intended to certify or imply the particular operating conditions within the facility at any particular time nor that the facility has been certified as free of cross-contamination from such protein products. This certification means that has implemented written quality control checkpoints and good manufacturing practices within applicable industry standards and FDA regulations and guidelines. This certificate is property of Validus Verification Services, LLC dba (Validus) and must be surrendered upon request by Validus in conformance with the Validus Restricted use Protein Program.
